Owner's Beneficiary Designation² - For individual owners, the death benefit is payable to the owner's primary beneficiary. If the owner's primary beneficiary is no longer living at the time of the owner's death, the owner's contingent beneficiary will receive the death benefit.

For joint owners, the death benefit is payable on the death of the first owner (except in cases of spousal continuance) and the surviving joint owner is the designated sole primary beneficiary. Name only contingent beneficiaries below.

Please designate if you want the beneficiary designation to be Per Stirpes or Per Capita. If an election is not made then by default it will be Per Capita. Per Stirpes designations require a listing of the children on a separate sheet of paper that is signed and dated. The list must include the children's names, addresses, phone numbers, dates of birth and social security numbers.

- Per Stirpes definition: A common way of distributing proceeds where if one or more beneficiaries has died, his or her children share equally in his or her share of the proceeds.
- Per Capita definition: Proceeds are split amongst the beneficiaries that survive the owner/annuitant. If one of the beneficiaries does not survive the owner/annuitant then the remaining beneficiaries receive the proceeds split equally.

Important Notice About the Annuity Contract for Which You Have Applied

This Document Affects Your Legal Rights • Read the Following Information Carefully

1. The Contract for which You have applied includes a binding arbitration agreement.
2. The arbitration agreement requires that any dispute related to the Contract must be resolved by arbitration and not in a court of law (except for matters that may be taken to small claim court).
3. In an arbitration, disputes are resolved by an arbitrator, not a judge or jury. An arbitrator is an independent, neutral decision maker who gives a decision after hearing the positions of the parties.
4. When You accept this Contract, You agree to resolve any dispute related to the Contract by binding arbitration instead of a trial in court, including a trial by jury.
5. In an arbitration, You are entitled to a fair hearing, but the procedures for arbitration are simpler and more limited than the rules applicable in court.
6. The results of the arbitration are final and binding on all parties. Such results are subject to very limited review by a court.
7. Should You need additional information regarding the binding arbitration provision in the Contract, You may contact our toll free assistance line at 1-877-586-0240 and ask for the Legal Department.

Acknowledgement of Arbitration Agreement

I have read the Notice, and I have been given a copy of this document to keep. I understand that I am voluntarily surrendering my right to have any dispute with Midland National Life Insurance Company resolved in court (except for matters that may be taken to small claims court). This means I am waiving any right to a trial by jury.

I understand that upon receipt of the Contract, I should read the arbitration provision contained in the Contract and that I have the right to reject the Contract within the Right to Examine Policy period as stated in the Contract if I do not want to accept the requirements for arbitration.

I understand that this same type of insurance may be available through an insurance company that does not require that policy-related disputes be resolved by binding arbitration.

Guarantee Ultimate[®] 5

Annuity Disclosure Statement

Thank you for your interest in the Guarantee Ultimate[®] 5 Annuity from Midland National[®] Life Insurance Company. It is important for you to read and understand this summary before you decide to purchase the annuity. This summary will help you understand the features of the annuity and determine if it will help you meet your financial goals. Once you have read this summary, please sign pages 6 and 8 to confirm that you understand the annuity and submit this document with your application for the annuity. *Refer to the Contract for complete details.*

This Annuity Disclosure Statement must be signed by the applicant and agent, then return the Home Office copy to Midland National Life Insurance Company, Annuity Division with the application.

4350 Westown Parkway, West Des Moines, IA 50266
Phone: (877) 586-0240 • MidlandNational.com

The Guarantee Ultimate[®] 5 is issued by Midland National[®] Life Insurance Company, West Des Moines, IA on form ICC17-AS150A/AS150A (contract), ICC17-AR348A/AR348A, ICC15-AR317A/AR317A and ICC15-AR307A/AR307A (riders/endorsements) or appropriate state variation. This product, its features and riders may not be available in all states.

The Guarantee Ultimate 5 is a single premium, multi-year guarantee annuity that accumulates interest through a guaranteed interest rate that is set for a 5-year period.

Accumulation Value

The Accumulation Value is used to determine the Death Benefit as well as penalty-free withdrawals. The Accumulation Value equals your premium, minus withdrawals and applicable Surrender Charges, earning the current guaranteed interest rate. This rate will never fall below the minimum guaranteed interest rate of 0.25%. This rate is guaranteed for your chosen guarantee period. *Ask your sales representative for the current interest rate.*

Surrender Value

The surrender value is the amount that is available at the time of surrender. The surrender value is equal to the accumulation value, subject to the interest adjustment, less applicable surrender charges and state premium taxes (where applicable). The minimum surrender value will not be less than 87.5% of all premiums; less any partial surrenders (after interest adjustment or reductions for surrender charges); accumulated at 1.00%, or otherwise directed by your Contract.

Initial Premium

For Initial Premium amounts of \$100,000 or more, you will receive a higher interest rate. Please ask your sales representative for current interest rates.

Renewal Feature

At the end of the 5-year Guarantee Period, you may choose to renew your annuity for another 5-year guaranteed interest period. Depending on your circumstances and financial goals, you will have a 30 day window to:

- Select a new 5-year Guarantee Period;
- Elect a Payout Option; or
- Withdraw your Accumulation Value.

If no election is made, the Company will automatically renew your annuity for a 5-year Guarantee Period as described in your Contract.

Within this 30 day window, no Surrender Charges or Interest Adjustment will apply. After the 30 day window, a new Guarantee Period Interest Rate, Surrender Charge Period and Interest Adjustment will be applied.

For Florida and Delaware only, after the 30 day window, a new Guarantee Period Interest Rate and Interest Adjustment/Market Value Adjustment will apply, and Surrender Charges cease.

**A feature offered "by current company practice" is not a contractual guarantee of this annuity contract and can be removed or changed at any time.*

LIQUIDITY FEATURES

Certain withdrawals prior to age 59½ may be subject to a 10% IRS penalty.

Penalty-Free Withdrawals

Once per year after the first contract anniversary, you may take a penalty-free withdrawal (also known as a Penalty-Free Partial Surrender), without Surrender Charges or Interest Adjustment, equal to the interest earned each year. By current company practice*, this interest withdrawal can begin as early as 30 days after your annuity is issued if received on a systematic withdrawal program. You can elect to receive payments monthly, quarterly, semi-annually or annually as long as each payment is at least \$50.

Annuity Payout Options

In all states except Florida, you may select an annuity payout at any time. If selected during the Surrender Charge period, your payout will be based on the Surrender Value. Available Payout Options include Life Income, Life Income with Period Certain, Joint and Survivor Income and Income for a Specified Period or Amount.

By current company practice*, proceeds may be converted to an annuity Payment Option after year one. Income payments will be based on the Accumulation Value if a Life, Life and Certain or Joint Life option is selected, or if the annuity has been in force for at least five years and you elect to receive payments over at least a five-year period.

For Florida:

You may select an annuity payout option based on the Accumulation Value at any time after the first contract year. Available payout options include Life Income, Life Income with a 10-Year or 20-Year Period Certain, Joint and Survivor Life Income and Joint and Survivor with a 10-Year or 20-Year Period Certain.

Once a payout option is elected, it cannot be changed and all other rights and benefits under the annuity end.

Nursing Home Confinement Waiver

(not available in all states)

After the first Contract Anniversary, if the annuitant becomes confined to a qualified nursing home facility for at least 90 consecutive days, we will increase the penalty-free withdrawal amount by 10% of the Accumulation Value each year while the annuitant is confined. This waiver is only available for issue ages 75 and younger and is automatically included with your annuity at no additional charge.

Required Minimum Distributions

By current company practice*, Required Minimum Distributions (RMD) that exceed the penalty-free amount may be withdrawn without a Surrender Charge or Interest Adjustment.

Payment of Commission

Midland National will pay a sales commission in connection with the sale of this product. This commission is one of many costs which Midland National considers and factors into the product's design and policy performance, including setting the guaranteed rates in the Contract and the manner in which non-guaranteed benefits may be offered. One hundred percent of your premium deposit will be credited to your account, and no deductions from your premium payment or from your account value will be made due to the payment of this sales commission.

Midland National may enter into written sales agreements with other financial institutions ("selling firms") for the sale of the Contract. The selling firms and their representatives are independent of Midland National. In this case, the selling firms are responsible for evaluating product proposals or recommendations independently and for exercising independent judgment about these proposals. Midland National pays selling firms all or a portion of the commissions received for their sales of the Contract.

Death Benefit

The Death Benefit is payable upon the death of the first owner, unless the sole beneficiary is the owner's spouse and he or she elects to continue this contract under its spousal continuance provisions. If there are joint annuitants, and an annuitant who is not also the contract's owner dies, the death benefit will be paid upon the death of the second annuitant.

The Death Benefit equals the Accumulation Value or the Minimum Surrender Value as defined in the contract, whichever is greater. The beneficiary may choose to receive the Death Benefit in either a lump sum or a series of income payments.

A death benefit is not available if an annuity payout option has been elected.

SURRENDER CHARGES AND INTEREST ADJUSTMENT

Please read the following information and sign the last page of this disclosure to acknowledge your understanding that Surrender Charges and Interest Adjustments will apply when withdrawals are taken from your Contract during the Surrender Charge Period.

Surrender Charges

A Surrender Charge is assessed on any amount withdrawn, whether as a partial withdrawal or full surrender, that is in excess of the penalty-free amount. A surrender during the Surrender Charge period may result in a loss of premium.

The Surrender Charges that apply for each Contract Year are based on the state where your Contract is issued and are shown as follows:

Year 1	Year 2	Year 3	Year 4	Year 5
9.3%	8.4%	7.5%	6.6%	5.7%

For AL, DC, MT, ND, SD: On the contract anniversary following the Annuitant's 105th birthday the Surrender Charge percentage will be reduced to zero percent.

Surrender Charges allow the Company to invest long-term, and in turn, generally credit higher yields.

Surrender Charges and Interest Adjustments on IRS-Required Minimum Distributions that exceed the available penalty-free amount are waived by current company practice*. The Surrender Charges apply to each Guarantee Period.

**A feature offered "by current company practice" is not a contractual guarantee of this annuity contract and can be removed or changed at any time.*

See next page for Interest Adjustment

Interest Adjustment (also known as Market Value Adjustment)

The Guarantee Ultimate 5 includes an Interest Adjustment that is applied during each Guarantee Period to full surrenders and to any partial surrender in excess of the penalty-free amount. This adjustment may decrease or increase the Surrender Value depending on the change in interest rates during the period since you purchased your Guarantee Ultimate 5 annuity. Lower interest rates at time of issue may result in less opportunity for a positive Interest Adjustment in future contract years. In certain rate scenarios at the time of issue, it may not be possible to experience a positive Interest Adjustment.

Example of Interest Adjustment (Market Value Adjustment-MVA) Formula

The Interest Adjustment will be calculated by multiplying the portion of any full or partial surrender that exceeds any available penalty-free withdrawal amount before the reduction for any Surrender Charge by the formula* described below.

***The Interest Adjustment Factor is: $(i_0 - i_t - \text{ADJ}) \times (T)$**

i_0 = The guarantee period interest rate, excluding any additional interest, that applies to the guarantee period.

i_t = The guarantee period interest rate, excluding any additional interest, that is in effect on the date of full or partial surrender for new contracts that have the same guarantee period.

ADJ = 0.0025

T = Time in years as follows: number of days from the date of the partial or full surrender to the end of the current contract year divided by 365; plus whole number of years remaining in the current guarantee period.

The amount of the Interest Adjustment will never exceed the lesser of a) the total interest credited to the Accumulation Value since the beginning of the current Guarantee Period, less the sum of the absolute values of all Interest Adjustments on prior partial surrenders in current Guarantee Period (i.e. all adjustments positive or negative added together), or b) the applicable Surrender Charge.

Lower interest rates at time of issue may result in less opportunity for a positive Interest Adjustment in future contract years. In certain rate scenarios at the time of issue, it may not be possible to experience a positive Interest Adjustment.

See the "Understanding the Market Value Adjustment" brochure for more information.

Additional Information

Under current law, annuities grow tax-deferred. Annuities may be subject to taxation during the income or withdrawal phase. The tax-deferred feature is not necessary for a tax qualified retirement account. For purchase as a qualified retirement account, you should obtain competent tax advice and consider whether other features, such as the Death Benefit, lifetime annuity payments and riders will help your needs. Neither Midland National, nor any agents acting on its behalf, should be viewed as providing legal, tax or securities advice.

IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases, this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new contract involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy or contract to pay all or part of any premium or payment due on the new contract. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? ____ YES ____ NO
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new contract? ____ YES ____ NO

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

AGENT INSTRUCTION: Three Copies Needed.

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

- Are they affordable?
- Could they change?
- You're older—are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

INSURABILITY:

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

RIGHT TO EXAMINE POLICY - It is important to us that you are satisfied with your policy and that it meets your insurance goals. Read it carefully. If you are not satisfied with it, you may return it to our Executive Office or to your agent within 30 days after you receive it. We will then void it and refund all premiums paid including any policy fees or charges. In the case of a variable or market value adjustment policy, we will refund the Policy Fund plus the sum of all charges deducted from your premiums, the Policy Fund and the Investment Divisions.

3. DISCLOSURES / ACKNOWLEDGMENTS

- I. I fully assign and transfer all claims, options, privileges, rights, title and interest to either all of the life insurance policy, all of the annuity contract or part of the annuity contract value identified in the Contract Information section on page 1 to the receiving company. The sole purpose of this assignment is to effect a tax-free exchange under Section 1035(a) of the Internal Revenue Code. All of the powers, elections, appointments, options and rights I have as owner of the contract, including the right to surrender, are now exercisable by the receiving company. Simultaneous with a full assignment, I also revoke all existing beneficiary designations under the Assigned Policy. Other than the above mentioned owner, no person, firm, or corporation other than myself and the insurer that issued the above numbered policy, has an interest in said policy. No proceedings in insolvency or bankruptcy have been instituted by or against me. I understand that the receiving company intends to surrender the contract for the cash value; or if this is a partial exchange, the portion assigned, subject to its terms and conditions, and to use the proceeds as the purchase payment for the new contract to be issued by the receiving company. I authorize the surrendering company to send the proceeds directly to the receiving company and understand that fees and surrender charges may apply. This exchange is subject to acceptance by the receiving company. Neither the receiving company nor the surrendering company is liable or responsible for changes in market value that may occur after the surrendering company has processed the transaction and before the proceeds are received by the receiving company in good order and allocated to the new contract. Prior to the date of receipt of the proceeds by the receiving company, no value will accrue or be earned on the receiving company contract.
- II. If this is a partial exchange, I understand that it is subject to Revenue Ruling 2003-76, which dictates how much of the original contract's cost basis must be allocated to the new contract. The cost basis should be allocated ratably between the two contracts based on the percentage of the value retained in the original contract and the percentage of the value transferred to the new contract. For example, if the contract value is \$100,000 and basis is \$50,000, and I assign 30% for a partial exchange, then \$15,000 (30% of \$50,000) of the basis would be applied to the new contract. I understand that the IRS has raised concerns about annuity contract owners using partial exchanges to avoid income tax, and I certify that I am not entering into this transaction for the purpose of reducing or avoiding income tax or the 10% penalty tax for early withdrawals.

I expressly represent that the sole purpose is to effect a partial 1035 exchange of an annuity contract. However, I acknowledge that Revenue Procedure 2011-38 states that withdrawals from annuitization, taxable owner or annuitant changes, or surrenders, other than an amount received as an annuity for a period of 10 years or more or during one or more lives, of either the original contract or the new contract during the 180 day period following the partial exchange, may affect the tax free status of the partial exchange.

Note: Other exceptions may apply and a subsequent direct transfer of all or a portion of either contract involved in the exchange could have tax and tax reporting consequences. Please consult your tax advisor. Please confirm with the carrier if they will support partial 1035 exchanges.

I acknowledge that the receiving company has made no representations concerning any tax treatment of this transaction. I understand that the receiving company has neither responsibility nor liability for the validity of this transaction or for my treatment under Section 1035(a) of the Internal Revenue Code or otherwise. Therefore, I agree to release and hold harmless the receiving company and its agents from any and all liability arising from, relating to, or in connection with, the taxation of a partial exchange of the above listed contract. I authorize the receiving company and the surrendering institution to share information necessary to maintain accurate records of the annuity cost basis and to ensure proper withholding and tax reporting. I have been directed to consult my tax or legal advisor before proceeding.

- III. I authorize the receiving company to rely upon the cost basis information provided by the surrendering company, but agree that the receiving company will assume no responsibility for determining or verifying cost basis. If cost basis is not provided, I acknowledge that more restrictive or less beneficial tax rules may apply to the amounts transferred. I acknowledge that the receiving company provides this form and participates in this transaction as an accommodation to me. The receiving company does not give tax or legal advice on the tax consequences for replacing one contract for another, and assumes no responsibility or liability for the validity of this assignment or for the tax treatment of this exchange under IRC Section 1035(a) or other laws or regulations.
- IV. I agree that if the receiving company, in its sole discretion, determines that it is unlikely to receive timely payment of the full contract cash surrender values, the receiving company may reassign ownership of the policy/contract back to me.
- V. RETURN OF LIFE INSURANCE POLICY OR ANNUITY CONTRACT - Does not apply to partial 1035 exchanges on annuity contracts. Unless the surrendering company's policy or contract is attached, I affirm that the policy or contract has been destroyed or lost and that reasonable effort has been made to locate it. To the best of my knowledge no one else has any right, title or interest in the contract, nor has it been assigned, pledged or encumbered, unless this is a life insurance policy with a loan to carry forward.
- VI. MAXIMUM ISSUE AGE DISCLOSURE - An annuity contract may not be issued should the funding requirements be received after reaching maximum issue age for the annuity contract applied for. If the funds are received after the maximum issue age, the contract may be rejected and the funds returned to their original source. The surrendering company may or may not take the funds back, which could result in a taxable event.
- VII. NON-QUALIFIED TRANSFER OF FUNDS (NON 1035 EXCHANGE) - The receiving company will apply all such funds received to an annuity contract issued to me. I understand that the receiving company assumes no responsibility for tax treatment of this matter and I shall be responsible for payment of all federal, state and local taxes incurred with respect to the liquidation of such account. I acknowledge that the earnings credited under the annuity contract will begin to accrue when the receiving company receives these proceeds and all other necessary paperwork in good order. For index annuities, fixed account interest under the annuity contract will begin to accrue on the next Issue Day.
- VIII. TRANSFER / EXCHANGE OF FUNDS INTO A TSA/403(B) - The TSA/403(b) owner / participant's employer or employer's third-party administrator must authorize and sign this transfer request in Section 5.

Authorization for a TSA/403(b) transfer / exchange to a TSA/403(b): This request is for the direct transfer / exchange of non-ERISA funds from the TSA/403(b) (annuity contract) or 403(b)(7) (custodial account) identified in Section 1 of this form to a TSA/403(b) (annuity contract) established on my behalf by the receiving company. I hereby agree to surrender my interest as indicated above and authorize the receiving company to take whatever action necessary to effect this transfer / exchange. I acknowledge that the transferred / exchanged funds shall be subject to the more stringent restrictions on distributions found in either the predecessor annuity contract or the receiving annuity contract. I intend this transaction to be a 403(b) transfer / exchange of funds pursuant to IRC section 403(b) and the final regulations. The transfer / exchange is to be executed from financial institution to financial institution in such a manner that it will not place me in actual or constructive receipt of all or any part of the transferred / exchanged funds. Because this transaction constitutes a direct rollover / transfer / exchange of funds and not a distribution, withholding does not apply. (Provide the receiving company with any records or documents they may request with respect to this transfer / exchange.)

- IX. The IRS has provided limited guidance on the tax consequences of transferring a life insurance policy with values less than the investment in the contract to a new or existing annuity contract. If the owner surrenders the newly acquired annuity contract, it's not clear whether the annuity losses are fully deductible against ordinary income or deductible as a miscellaneous deduction subject to a limitation of 2% of adjusted gross income (AGI). If the IRS views the two transactions as a single integrated transaction, they could consider it a step transaction and successfully disallow the losses as a tax deduction.
