#### Purchasing an AssuranceSelect 7

You can purchase an AssuranceSelect 7 with an initial purchase payment of \$10,000 or more. You can add to your annuity during the first contract year with additional purchase payments of \$2,000 or more.

#### No upfront fees

The AssuranceSelect 7 has no upfront charges. All your money goes to work for you. Please note optional riders are available for an annual charge.

#### Access to your money

##### Penalty-free withdrawals

During the first contract year, you may withdraw up to 10% of your purchase payments without an early withdrawal charge. After the first contract year, 10% of the account value on the most recent contract anniversary plus any purchase payments received since that anniversary may be withdrawn without an early withdrawal charge.

##### Waiver riders

Extended care and terminal illness waivers are included at no additional charge and allow you to withdraw your money without an early withdrawal charge under the circumstances set out in the rider.

#### Early withdrawal charges that end after seven years

During the first seven contract years, an early withdrawal charge starting at 9% is applied to surrenders and withdrawals that exceed the 10% penalty-free amount. All charges end seven years after your contract is issued, even if you make additional purchase payments along the way.

## Additional benefits with an optional rider

You can add a rider to your AssuranceSelect 7 to receive additional benefits for your retirement income or legacy planning needs.
