Instructions

Use this form when requesting a one time partial withdrawal or a scheduled recurring partial withdrawal. Altered documents, including but not limited to correction fluid or reused/photocopied signatures will not be accepted. Please ensure both pages of this form are submitted and all sections are completed accurately to ensure prompt processing of your request.

1. Contract information

Complete and submit a trust form that is associated with your trust type if this Contract is owned by a trust and you have not previously provided one.

Annuity Contract number

Owner's name (first, middle initial, last)	Social Security number
Joint Owner's name (if applicable) (first, middle initial, last)	Social Security number
Non-natural Owner (if applicable)	Tax identification number/Employer identification number

2. Disbursement information

A request to surrender or withdraw Contract values over the penalty-free partial surrender amount will reduce the amount of proceeds paid upon full withdrawal, payment of any death benefits, or annuitization. A surrender charge and market value adjustment may apply for Contracts still in a surrender charge period. **Withdrawals taken prior to age 59 ½** may be subject to IRS penalties. Taking a withdrawal from a Contract that has a guaranteed lifetime withdrawal benefit (GLWB) or guaranteed minimum withdrawal benefit (GMWB) may adversely affect the benefits associated with this feature. Refer to the GLWB or GMWB section in your Contract for more details.

If your Contract is a fixed index annuity, this withdrawal will remove funds from the fixed and index accounts on a pro-rata basis, based on the value in each account on the effective date of the withdrawal.

When selecting a specific dollar amount be sure to indicate Net or Gross. All available penalty-free funds will be withdrawn from your Contract first. Amounts requested over the penalty-free amount may be subject to surrender charge. If scheduled recurring withdrawal is selected and the date is not complete we will default to today's date.

Please indicate either one time partial withdrawal or scheduled recurring partial withdrawal as your disbursement type; then choose one amount option with your selection. If more than one selection is indicated, we will default to a one time partial withdrawal using the current processing date.

Date (mm/dd/yyyy)

¹Amounts requested over the penalty-free may be subject to any applicable surrender charges and market value adjustment also referred to as interest adjustment in some Contracts.

²Net - amount of check after applicable charges and/or taxes are applied if no election is made you will receive a net distribution.

³All of the penalty free available each Contract year - Amount available per your Contract provisions, including interest only Contracts. Your penalty-free provisions can be found on the specification page of your Contract.

⁴If you elect a dollar amount you will receive this amount each frequency. If you elect a percentage the percentage will be paid out over the Contract year based on frequency chosen. If more than one frequency is chosen or there is no frequency chosen we will default to annually.

⁵Please select a date between the 1st and the 28th. If the date is not complete we will default to today's date. If a date after the 28th is chosen, we will default to the 28th. If the election start date has already passed, the first scheduled recurring partial withdrawal will be processed immediately and the next scheduled recurring withdrawal will be processed one modal frequency from the elected start date.

3. Election of withholding (must be completed)

Important state tax withholding information: If no election is made, 10% federal income tax will be withheld. Certain states require us to withhold state income tax from your distribution. If you reside in a state that requires withholding, we will withhold state income tax in accordance with the respective state's rules.

If your Contract is a TSA (403b) we are required to withhold 20% of your distribution for federal income taxes, unless the distribution is for your required minimum distribution or is being taken under hardship.
