Qualified Joint and Survivor Annuity Notice (Applicable only if a plan is subject to ERISA provisions.)

Qualified Joint and Survivor Annuity

Married Participants

The law requires that benefits from this plan be paid in the form of a Qualified Joint and Survivor Annuity ("QJSA"), unless you elect another benefit option offered by the plan. If you decide to elect a benefit option other than a QJSA, then your spouse must consent in writing to your election. Your spouse's signature must be witnessed by a Plan Representative or a Notary Public. Your election must be made no more than 90 days prior to the date distributions commence (however, at least seven days must elapse from the time you receive this QJSA explanation to the time of the distribution). The election (or spousal consent to the election) may be revoked at any time within those 90 days. If you decide to change the benefit option before distributions commence, then you must again obtain your spouse's written consent as described above.

For married participants, a QJSA benefit is a Joint and Survivor Annuity. Monthly payments are made for your life. After your death, monthly payments, usually of 50 percent of the amount you received, are made to your spouse for life. The total amount payable as a QJSA must be the actuarial equivalent of the amount that would be payable to you in a Life annuity. The monthly payment amount paid during your life will be less than it would be in a Life Annuity based on a single life.

The law also requires that any and all survivor benefits from this plan be paid to your spouse, unless you designate a different beneficiary. If you decide to designate a beneficiary other than your spouse, then your spouse must consent in writing to your beneficiary designation. Your spouse's signature must be witnessed by a Plan Representative or a Notary Public.

Unmarried Participants

The law requires that, unless you elect otherwise, benefits from this plan be paid in the form of a Single Life Annuity: you will receive monthly payments for your life, and then no payments are made after your death. If you decide to elect another benefit option offered by the plan, your election must be made no more than 90 days prior to the date distributions commence (however, at least seven days must elapse from the time you receive this QJSA explanation to the time of the distribution). You may revoke your election at any time within those 90 days.

If any survivor benefits are payable through the benefit payment option you have chosen, then you may designate a beneficiary to receive those survivor benefits.

1 Spousal Consent (Applicable only if a plan is subject to ERISA provisions.)

Important: This section must be completed if this 403(b) TSA is subject to the provisions of the Employee Retirement Income Security Act (ERISA). If you are not sure whether or not this 403(b) TSA plan is administered under ERISA, please contact one of our annuity specialists at (800) 247-6888. Your spouse must complete this section if your account balance has ever been greater than \$5,000. Your spouse's signature must be witnessed by an Authorized Plan Representative or a Notary Public.

I understand that by signing below I give my consent to this distribution. Furthermore, I acknowledge that this transaction/policy change may result in the reduction of benefits that might otherwise have become distributable under this plan. The first payment occurs at the beginning of the payment mode next following the contract effective date and in no event more than one year following the contract effective date. Benefit payments are generally taxable in the year in which they are received. Commutation^① and inflation protection benefits are available on some payment options.

Issue Age

A Tailored Income Annuity will be issued for annuitants and owners ages 0 – 90.

Contract Effective Date

A Tailored Income Annuity's effective date is the date the premium is received in the home office of The Standard. This date is indicated on the policy cover and in the contract's data pages.

Premium

A Tailored Income Annuity may be established with a premium ranging from \$15,000 to \$1,000,000 (or more with prior home-office approval).

Income Options

Life Income

A guaranteed income for as long as the annuitant lives. Payments will cease upon the death of the annuitant.

Life Income with Installment Refund

A guaranteed income for as long as the annuitant lives. The total payments will never be less than the total of the funds paid to purchase this option. If the annuitant dies before receiving at least that amount, payments continue until the full amount is repaid (or may be commuted to a lump-sum payment).

Life Income with Certain Period

A guaranteed income for as long as the annuitant lives. If the annuitant dies prior to the end of the period specified (5, 10, 15 or 20 years), payments continue until the end of the period (or may be commuted to a lump-sum payment).

Joint and Survivor Life Income

A guaranteed income for as long as both annuitants live. When either annuitant dies, payments will continue at 50%, 66⅔%, 75% or 100% of the payments received when both were living. Payments will cease upon death of both annuitants.

Joint and Survivor Life Income with Installment Refund

A guaranteed income for as long as both annuitants live. The total payments will never be less than the total of the funds paid to purchase this option. If both annuitants die before receiving at least that amount, payments continue until the full amount is repaid (or may be commuted to a lump-sum payment).

Joint and Survivor Life Income with Certain Period

A guaranteed income for as long as both annuitants live. When either annuitant dies, payments will continue at 100% of the payments received when both were living. If both annuitants die prior to the end of the period specified (5, 10, 15 or 20 years), payments continue until the end of the period (or may be commuted to a lump-sum payment).

Joint and Contingent Survivor Life Income

A guaranteed income for as long as both annuitants live. If the primary annuitant dies first, payments will continue at 50% of the payments received when both were living. If the contingent annuitant dies first, payments will continue at 100% of the payments received when both were living. Payments will cease upon death of both annuitants.

Certain Period

A guaranteed income for a time period chosen (5, 10, 15 or 20 years). At any time, benefits may be commuted to a lump-sum payment. If the annuitant dies prior to the end of the period specified, payments continue until the end of the period (or may be commuted to a lump-sum payment).

Optional Features

Life Income Commutation^①

If this feature is added at the time of application, in any contract year (after an initial two years) up to 10% of future benefits may be commuted to a lump-sum payment. After exercising this feature the remaining payments will be reduced by the percentage commuted. A maximum of 20% of future payments can be commuted over the lifetime of a contract.

Inflation Protection

On many of the income options, an election may be made to guard against the effects of inflation with an annually increasing payment of 1%, 2%, 3%, 4% or 5%. If this option is selected at the time of application, the increased payments would begin one year after the first payment and would increase annually thereafter.

1 Notice

Sound investment practices, as well as state regulations, dictate that annuity brokers who recommend the purchase or exchange of an annuity must have grounds to believe that the transaction is in the purchaser's interest and is appropriate for the purchaser's financial needs and goals. As part of this process, you and your broker should engage in a thoughtful, thorough interview in order to understand your financial background, and current and future needs. Below is a list of suggested topics for discussion. The collection and discussion of this information is for your benefit. It will be used to help your broker determine if an annuity is a suitable investment for you. This information will not be used for any other purpose and will remain confidential.

2 Topics for Determination of Suitability

- Financial status, net worth and current assets, including any existing annuity or life insurance
- Annual income
- Tax status
- Risk tolerance
- Investment objectives
- Current and future monthly financial needs
- Anticipated need to access cash values in the near future (versus the annuity's surrender charge schedule and IRS pre-age 59½ tax penalty, if applicable)
- Any other information relevant to determining whether the annuity is suitable

3 Acknowledgement

Determining the suitability of an annuity contract for a purchaser is the responsibility of the insurance broker, not of the insurance company. In recommending the purchase of an annuity (or the exchange of an annuity that results in another insurance transaction or series of transactions), an insurance broker shall have reasonable grounds for believing that the recommendation is suitable for the purchaser. This determination is made on the basis of facts, disclosed by the purchaser, as to his/her investments and other insurance products, and current financial situation and future financial needs.

Before executing the purchase (or exchange) of an annuity that is the result of the broker's recommendation, an insurance broker shall make reasonable efforts to obtain information about the purchaser's age, financial status, tax status, investment objectives and any other relevant information used or considered to be reasonable by the insurance broker in making the recommendation.

Notice of Replacement of Life Insurance or Annuities

1 Important Notice: Replacement of Life Insurance or Annuities

(This notice must be signed by the applicant(s) and broker, with the original sent to Standard Insurance Company and a copy left with the applicant(s).)

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financial purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy or contract to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured individual.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on page 2 of this form.

- A. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer or otherwise terminating your existing policy or contract? ☐ Yes ☐ No
- B. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? ☐ Yes ☐ No
- C. If you answered "Yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number, if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	CONTRACT/POLICY NUMBER	NAME OF INSURED OR ANNUITANT	REPLACED (R) OR FINANCING (F)
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

3 Important Replacement Issues

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense.

Policy Value

- Acquisition costs for the old policy may have been paid, and you may incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

Insurability

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

If you are keeping the old policy as well as the new policy

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

If you are surrendering an annuity or interest sensitive life product

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

Other issues to consider for all transactions

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable “grandfathered” treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?
