Purchasing an AssuranceSelect 5

You can purchase an AssuranceSelect 5 with an initial purchase payment of \$10,000 or more. You can add to your annuity during the first two contract months with additional purchase payments of \$2,000 or more.

Access to your money with annual penalty-free withdrawals

During the first contract year, you may withdraw up to 10% of your purchase payments without an early withdrawal charge. After the first contract year, 10% of the account value on the most recent contract anniversary may be withdrawn without an early withdrawal charge.

Early withdrawal charges that end after five years

During the first five contract years, an early withdrawal charge starting at 9% is applied to surrenders and withdrawals that exceed the 10% penalty-free amount. All charges end after five years.

Contract year	1	2	3	4	5	6+
Early withdrawal charge rate	9%	8%	7%	6%	5%	0%

Peace of mind with a guaranteed minimum surrender value

If you choose to surrender your contract, you are guaranteed to receive at least 100% of your purchase payments, less prior withdrawals and applicable early withdrawal charges, plus interest at 1%, minus the account value multiplied by the applicable early withdrawal charge rate.
