

Understanding the iShares MSCI EAFE ETF

When you purchase an annuity from Great American Life Insurance Company®, you may have the opportunity to allocate funds to an indexed strategy linked to changes to the share price of the iShares MSCI EAFE Exchange Traded Fund (ETF).

The iShares MSCI EAFE ETF seeks to track the investment results of an index composed of equity securities issued by large- and mid-cap companies from developed markets outside of the U.S. and Canada. Those who invest in this ETF are often looking for international diversification and long-term growth.

Uncomplicate Retirement®

International investing involves risks, including risks related to foreign currency, limited liquidity, less government regulation and the possibility of substantial volatility due to adverse political, economic or other developments. To learn more about the iShares MSCI EAFE ETF, visit [iShares.com](https://www.ishares.com) and search ticker symbol EFA.

Past performance does not guarantee future results.

The launch date of the iShares MSCI EAFE ETF was August 14, 2001. Historical prices are not indicative of the amount that would have been credited to an annuity during the same time period.

When you allocate funds to an indexed strategy linked to the iShares MSCI EAFE ETF, you are **not** investing directly in the ETF. Strategy returns may be significantly less than the changes in the closing price of the ETF. Limitations on strategy returns include caps, participation rates, vesting factors and daily value percentages. In addition, strategy returns reflect changes over terms, not over calendar years.

The iShares MSCI EAFE ETF is distributed by BlackRock Investments, LLC. iShares®, BLACKROCK®, and the corresponding logos are registered and unregistered trademarks of BlackRock, Inc. and its affiliates ("BlackRock"), and these trademarks have been licensed for certain purposes by Great American Life Insurance Company. Great American Life Insurance Company annuity products are not sponsored, endorsed, sold or promoted by BlackRock, and purchasers of an annuity from Great American Life Insurance Company do not acquire any interest in the iShares MSCI EAFE ETF nor enter into any relationship of any kind with BlackRock. BlackRock makes no representation or warranty, express or implied, to the owners of any Great American Life Insurance Company annuity product or any member of the public regarding the advisability of purchasing an annuity, nor does it have any liability for any errors, omissions, interruptions or use of the iShares MSCI EAFE ETF or any data related thereto.

Annuities are long-term investments and may not be suitable for all investors. Withdrawals prior to age 59½ may be subject to income tax and a 10% penalty.
