**Owner's Beneficiary Designation<sup>2</sup>** - In the event of the owner's death, death benefit proceeds are payable to the owner's primary beneficiary. If there are joint owners, the death benefit is payable upon the first death. If there are joint owners, the surviving joint owner, if any, will be the designated primary beneficiary unless otherwise specified below. Note: Complete the Owner's Primary Beneficiary Section if you want to name someone other than the surviving owner to receive 100% of the death benefit. If the owner's primary beneficiary is no longer living at the time of the owner's death, the owner's contingent beneficiary will receive the death benefit proceeds.

Please designate if you want the beneficiary designation to be Per Stirpes or Per Capita. If an election is not made then by default it will be Per Capita. Per Stirpes designations require a listing of the children on a separate sheet of paper that is signed and dated. The list must include the children's names, addresses, phone numbers, dates of birth and social security numbers.

- Per Stirpes definition: A common way of distributing proceeds where if one or more beneficiaries has died, his or her children share equally in his or her share of the proceeds.
- Per Capita definition: Proceeds are split amongst the beneficiaries that survive the owner/annuitant. If one of the beneficiaries does not survive the owner/annuitant then the remaining beneficiaries receive the proceeds split equally.

The Guarantee Ultimate® 5 is issued by Midland National® Life Insurance Company, West Des Moines, IA on form ICC17-AS150A/AS150A (contract), ICC17-AR348A/AR348A, ICC17-AR317A/AR317A and ICC15-AR307A/AR307A (riders/endorsements) or appropriate state variation. This product, its features and riders may not be available in all states.

The Guarantee Ultimate 5 is a single premium, multi-year guarantee annuity that accumulates interest through a guaranteed interest rate that is set for a 5-year period.

### Accumulation Value

The Accumulation Value is used to determine the Death Benefit as well as penalty-free withdrawals. The Accumulation Value equals your premium, minus withdrawals and applicable Surrender Charges, earning the current guaranteed interest rate. This rate will never fall below the minimum guaranteed interest rate of 0.25%. This rate is guaranteed for your chosen guarantee period. *Ask your sales representative for the current interest rate.*

### Surrender Value

The surrender value is the amount that is available at the time of surrender. The surrender value is equal to the accumulation value, subject to the interest adjustment, less applicable surrender charges and state premium taxes (where applicable). The minimum surrender value will not be less than 87.5% of all premiums; less any partial surrenders (after interest adjustment or reductions for surrender charges); accumulated at 1.00%, or otherwise directed by your Contract.

### Initial Premium

For Initial Premium amounts of \$200,000 or more, you will receive a higher interest rate. Please ask your sales representative for current interest rates.

### Renewal Feature

At the end of the 5-year Guarantee Period, you may choose to renew your annuity for another 5-year guaranteed interest period. Depending on your circumstances and financial goals, you will have a 30 day window to:

- Select a new 5-year Guarantee Period;
- Elect a Payout Option; or
- Withdraw your Accumulation Value.

If no election is made, the Company will automatically renew your annuity for a 5-year Guarantee Period as described in your Contract.

Within this 30 day window, no Surrender Charges or Interest Adjustment will apply. After the 30 day window, a new Guarantee Period Interest Rate, Surrender Charge Period and Interest Adjustment will be applied.

**For Florida only, after the 30 day window, a new Guarantee Period Interest Rate and Interest Adjustment/Market Value Adjustment will apply, and Surrender Charges cease.**

*\*A feature offered "by current company practice" is not a contractual guarantee of this annuity contract and can be removed or changed at any time.*

### LIQUIDITY FEATURES

Certain withdrawals prior to age 59½ may be subject to a 10% IRS penalty.

### Penalty-Free Withdrawals

Once per year after the first contract anniversary, you may take a penalty-free withdrawal (also known as a Penalty-Free Partial Surrender), without Surrender Charges or Interest Adjustment, equal to the interest earned each year. By current company practice\*, this interest withdrawal can begin as early as 30 days after your annuity is issued if received on a systematic withdrawal program. You can elect to receive payments monthly, quarterly, semi-annually or annually as long as each payment is at least \$50.

### Annuity Payout Options

In all states except Florida, you may select an annuity payout at any time. If selected during the Surrender Charge period, your payout will be based on the Surrender Value. Available Payout Options include Life Income, Life Income with Period Certain, Joint and Survivor Income and Income for a Specified Period or Amount.

By current company practice\*, proceeds may be converted to an annuity Payment Option after year one. Income payments will be based on the Accumulation Value if a Life, Life and Certain or Joint Life option is selected, or if the annuity has been in force for at least five years and you elect to receive payments over at least a five-year period.

### For Florida:

You may select an annuity payout option based on the Accumulation Value at any time after the first contract year. Available payout options include Life Income, Life Income with a 10-Year or 20-Year Period Certain, Joint and Survivor Life Income and Joint and Survivor with a 10-Year or 20-Year Period Certain.

Once a payout option is elected, it cannot be changed and all other rights and benefits under the annuity end.

### Nursing Home Confinement Waiver

(not available in all states)

After the first Contract Anniversary, if the annuitant becomes confined to a qualified nursing home facility for at least 90 consecutive days, we will increase the penalty-free withdrawal amount by 10% of the Accumulation Value each year while the annuitant is confined. This waiver is only available for issue ages 75 and younger and is automatically included with your annuity at no additional charge.

### Required Minimum Distributions

By current company practice\*, Required Minimum Distributions (RMD) that exceed the penalty-free amount may be withdrawn without a Surrender Charge or Interest Adjustment.

### Payment of Commission

Midland National will pay a sales commission in connection with the sale of this product. This commission is one of many costs which Midland National considers and factors into the product's design and policy performance, including setting the guaranteed rates in the Contract and the manner in which non-guaranteed benefits may be offered. One hundred percent of your premium deposit will be credited to your account, and no deductions from your premium payment or from your account value will be made due to the payment of this sales commission.

Midland National may enter into written sales agreements with other financial institutions ("selling firms") for the sale of the Contract. The selling firms and their representatives are independent of Midland National. In this case, the selling firms are responsible for evaluating product proposals or recommendations independently and for exercising independent judgment about these proposals. Midland National pays selling firms all or a portion of the commissions received for their sales of the Contract.

### Death Benefit

The Death Benefit is payable upon the death of the first owner, unless the sole beneficiary is the owner's spouse and he or she elects to continue this contract under its spousal continuance provisions. If there are joint annuitants, and an annuitant who is not also the contract's owner dies, the death benefit will be paid upon the death of the second annuitant.

The Death Benefit equals the Accumulation Value or the Minimum Surrender Value as defined in the contract, whichever is greater. The beneficiary may choose to receive the Death Benefit in either a lump sum or a series of income payments.

A death benefit is not available if an annuity payout option has been elected.

## SURRENDER CHARGES AND INTEREST ADJUSTMENT

Please read the following information and sign the last page of this disclosure to acknowledge your understanding that Surrender Charges and Interest Adjustments will apply when withdrawals are taken from your Contract during the Surrender Charge Period.

### Surrender Charges

A Surrender Charge is assessed on any amount withdrawn, whether as a partial withdrawal or full surrender, that is in excess of the penalty-free amount. A surrender during the Surrender Charge period may result in a loss of premium.

**The Surrender Charges that apply for each Contract Year are based on the state where your Contract is issued and are shown as follows:**

Year 1	Year 2	Year 3	Year 4	Year 5
9.3%	8.4%	7.5%	6.6%	5.7%

For AL, DC, MT, ND, SD: On the contract anniversary following the Annuitant's 105th birthday the Surrender Charge percentage will be reduced to zero percent.

Surrender Charges allow the Company to invest long-term, and in turn, generally credit higher yields.

Surrender Charges and Interest Adjustments on IRS-Required Minimum Distributions that exceed the available penalty-free amount are waived by current company practice\*. The Surrender Charges apply to each Guarantee Period.

*\*A feature offered "by current company practice" is not a contractual guarantee of this annuity contract and can be removed or changed at any time.*

*See next page for Interest Adjustment*

**Interest Adjustment (also known as Market Value Adjustment)**

The Guarantee Ultimate 5 includes an Interest Adjustment that is applied during each Guarantee Period to full surrenders and to any partial surrender in excess of the penalty-free amount. This adjustment may decrease or increase the Surrender Value depending on the change in interest rates during the period since you purchased your Guarantee Ultimate 5 annuity. Lower interest rates at time of issue may result in less opportunity for a positive Interest Adjustment in future contract years. In certain rate scenarios at the time of issue, it may not be possible to experience a positive Interest Adjustment.

<p><b>Example of Interest Adjustment (Market Value Adjustment-MVA) Formula</b></p> <p>The Interest Adjustment will be calculated by multiplying the portion of any full or partial surrender that exceeds any available penalty-free withdrawal amount before the reduction for any Surrender Charge by the formula* described below.</p> <p><b>*The Interest Adjustment Factor is: <math>(i_0 - i_t - ADJ) \times (T)</math></b></p>
<p><math>i_0</math> = The guarantee period interest rate, excluding any additional interest, that applies to the guarantee period.</p> <p><math>i_t</math> = The guarantee period interest rate, excluding any additional interest, that is in effect on the date of full or partial surrender for new contracts that have the same guarantee period.</p> <p>ADJ = 0.0025</p>
<p>T = Time in years as follows: number of days from the date of the partial or full surrender to the end of the current contract year divided by 365; plus whole number of years remaining in the current guarantee period.</p>
<p>The amount of the Interest Adjustment will never exceed the lesser of a) the total interest credited to the Accumulation Value since the beginning of the current Guarantee Period, less the sum of the absolute values of all Interest Adjustments on prior partial surrenders in current Guarantee Period (i.e. all adjustments positive or negative added together), or b) the applicable Surrender Charge.</p>
<p><b>Lower interest rates at time of issue may result in less opportunity for a positive Interest Adjustment in future contract years. In certain rate scenarios at the time of issue, it may not be possible to experience a positive Interest Adjustment.</b></p> <p><i>See the "Understanding the Market Value Adjustment" brochure for more information.</i></p>

**Additional Information**

Under current law, annuities grow tax-deferred. Annuities may be subject to taxation during the income or withdrawal phase. The tax-deferred feature is not necessary for a tax qualified retirement account. For purchase as a qualified retirement account, you should obtain competent tax advice and consider whether other features, such as the Death Benefit, lifetime annuity payments and riders will help your needs. Neither Midland National, nor any agents acting on its behalf, should be viewed as providing legal, tax or securities advice.

## IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases, this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new contract involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy or contract to pay all or part of any premium or payment due on the new contract. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? \_\_\_\_ YES \_\_\_\_ NO
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new contract? \_\_\_\_ YES \_\_\_\_ NO

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

Insurer Name	Policy or Contract #	Annuitant or Insured Name	Replaced (R) or Financing (F)
1.			
2.			
3.			

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because \_\_\_\_\_.

I certify that the responses herein are, to the best of my knowledge, accurate:

### Producer's Statement

I certify that only sales materials approved by Midland National were used in conjunction with this transaction, and copies of all sales materials including this Important Notice were left with the applicant. If applicable, electronically presented sales materials shall be provided in printed form to the applicant no later than at the time of policy or contract delivery.

### AGENT INSTRUCTION: Three Copies Needed.

Return this signed original to the Home Office, Leave a signed copy with the Applicant and retain a permanent copy in your file.

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

**PREMIUMS:**

- Are they affordable?
- Could they change?
- You're older—are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

**POLICY VALUES:**

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

**INSURABILITY:**

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

**IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:**

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

**IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:**

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

**OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:**

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

**RIGHT TO EXAMINE POLICY** - It is important to us that you are satisfied with your policy and that it meets your insurance goals. Read it carefully. If you are not satisfied with it, you may return it to our Executive Office or to your agent within 30 days after you receive it. We will then void it and refund all premiums paid including any policy fees or charges. In the case of a variable or market value adjustment policy, we will refund the Policy Fund plus the sum of all charges deducted from your premiums, the Policy Fund and the Investment Divisions.

#### 4. Assignment of ownership

I/We, the undersigned, hereby state that I/we am/are the owner of the life insurance, endowment, or annuity contract identified above. For the purpose of making an Internal Revenue Code Section 1035 Exchange of insurance or annuity contract, I/We hereby absolutely assign and transfer all rights, benefits, interests, and property I/we have in the above identified contract to the assignee identified above (hereafter "the Company").

This assignment and Section 1035 Exchange is conditioned upon the decision by the Company to issue, on the basis set forth in the application, an annuity contract or life insurance policy. After acceptance of the application by the Company, this assignment will become absolute and the Company will issue to me an annuity contract or life insurance policy in exchange for the partial or full and complete surrender of the above listed contract and that the cash surrender value will be applied as a premium on the contract issued to me by the Company. The cash value received from the surrender of the contract(s) identified above will be credited to the contract issued by the Company upon receipt from the other Company. The Company assumes no liability for any delay by the other Company in processing the assignment of ownership, the request for surrender, or the payment of the cash surrender value. I/We understand that the contract values and terms of the above-identified contract may differ substantially from those in the contract issued by the Company.

I/We understand that the Company will request the immediate surrender of the contract being assigned to them as part of the Section 1035 Exchange. If I/we elect to refuse the policy issued by the Company under the "free-look" provision, I/We recognize that the assigned contract may have already been surrendered for its cash surrender value. If I/we refuse the policy under the "free-look" provision, the Company has no liability beyond the return of the cash surrender value of the assigned contract. If no premium is paid with the application, coverage under the new policy issued by the Company becomes effective when coverage under the existing policy identified above ceases because the other insurer has processed the Company's request for surrender. I/We certify that no proceeding in bankruptcy or insolvency, voluntary or involuntary, is pending against me/us.

#### 5. Transaction authorization

I/We am/are aware of any surrender/withdrawal penalties, which may apply, and I/we authorize the transaction described above. This transfer request also authorizes Midland National to receive information on the status of this transfer or exchange.

The undersigned represents and agrees that the Company is participating in this transaction at the undersigned's specific request and as an accommodation to the undersigned. It is further agreed that neither the Company, nor the officer, employee, agent, or any person acting on behalf of the Company warrants or represents the income tax consequences of this transaction. I/We have been advised by the Company, and/or its officers, agents, employees, or persons acting on the Company's behalf, that I/we should consult my/our own tax advisor regarding the tax consequences of this transaction. I/We have not relied on the Company or any agent of the Company for tax advice.

I/We agree to release, indemnify, and hold harmless Midland National, its directors, officers, employees, agents, parents, subsidiaries, and affiliates, and their directors, officers, employees, and agents (Midland National), as transfer agent, from and against any and all claims, liabilities, damages, costs, charges and expenses, including reasonable attorney fees, sustained or incurred by reason of any claim, litigation, arbitration or other proceeding arising as a result of Midland National's transfer of the above-referenced funds at my/our request. **Without limiting the foregoing, I/we specifically acknowledge and agree that Midland National shall not be responsible for any loss due to market fluctuations which I/we incur as a result of any delay in the transfer of such funds and acknowledge and agree that it is my/our responsibility to request the transferring company to transfer these funds to the fixed or general account of the annuity, mutual fund, or other investment product from which the exchange is being made pending the processing and completion of this request.**

**NOTICE: THIS SECTION CONTAINS A WAIVER AND RELEASE OF LIABILITY. PLEASE READ CAREFULLY.**

This section is to be completed and signed by ALL Trustees required by the response to Question 1. For purposes of this section, "Trust" and "Trustees" refer to the trust and its trustee(s) identified on the first page of this form. "Annuity Policy/Contract" refers to the annuity policy(ies), contract(s), or certificate(s) referenced on the first page of this form together with any associated riders. "Owner", "Beneficiary", and "Annuitant" have the same meaning as defined in the Annuity Policy/Contract, and include multiple or joint Owners, Beneficiaries, or Annuitants where applicable. When not capitalized, "owners" and "beneficiaries" refer to the designated legal owners or beneficiaries of the Trust.

**The undersigned persons ("the Trustees") represent, certify, and agree as follows:**

- A. The Trustees are the authorized Trustees of the Trust identified above, and are authorized and legally capable of purchasing the Annuity Policy/Contract. Midland National may rely upon the signatures of the Trustees on behalf of the Trust as if they were the actual Owner or Beneficiary of the Annuity Policy/Contract.
- B. If the Trust is to be named the Owner of the Annuity Policy/Contract, the Trust is authorized under the terms of the Trust to purchase and hold the Annuity Policy/Contract, and if the Trust is to be named the Beneficiary of the Annuity Policy/Contract, the Trust is authorized under the terms of the Trust to receive the Annuity Policy/Contract proceeds.
- C. No additional authorizations are necessary to purchase the Annuity Policy/Contract.
- D. The Trustees acknowledge and agree that Midland National has no responsibility for reviewing or interpreting Trust or Trust-related documents, that Midland National will issue and administer the Annuity Policy/Contract based solely upon the representations made by the Trustees in this form, and that any consequence of any error, inaccuracy, or misunderstanding in interpreting the Trust will be borne solely by the Trustees.
- E. The Trustees have reviewed all provisions of the Trust and Annuity Policy/Contract. By accepting the Annuity Policy/Contract, the Trustees certify they have determined that:
  - i. None of the provisions of the Trust (including income and corpus distribution requirements) conflict or will interfere with the terms and operation of the Annuity Policy/Contract; and
  - ii. None of the provisions of the Annuity Policy/Contract (including distribution requirements of section 72(s) of the federal Internal Revenue Code as incorporated into the terms of the Annuity Policy/Contract and applicable surrender charges) conflict or will interfere with the terms and operation of the Trust.
- F. The Trustees have determined the Annuity Policy/Contract is suitable for the purposes of the Trust, and the Annuity Policy/Contract conforms to the income distribution requirements of the Trust and to applicable state and federal laws. The Trustees acknowledge that distribution of the Annuity Policy/Contract funds may result in surrender charges and/or interest adjustments pursuant to the terms of the Annuity Policy/Contract.
- G. The Trustees acknowledge that the purchase and ownership of an Annuity Policy/Contract by the Trust may have significant tax, estate/probate, and other legal and financial consequences for the Trust and the Trust's owners and beneficiaries. The Trustees have sought advice from their own legal, tax, trust, and financial advisors regarding any questions related to the suitability, purchase, and ownership of an Annuity Policy/Contract by the Trust, and have independently determined that purchase of the Annuity Policy/Contract is appropriate for the Trust.
- H. The Trustees further acknowledge and agree that:

- ii. Neither Midland National nor its agents, employees, or representatives are authorized to give tax, estate/probate, or other legal advice. - I. The beneficiary(ies) of the Trust is/are each a natural person. No beneficiary of the Trust is an entity, such as a corporation, another trust, educational or religious institution, or charity, and the Trustees do not have discretion to pay Trust benefits to any entity. Based on independent advice received from a qualified tax advisor, the Trustees have determined that the Trust will be holding the Annuity Policy/Contract as an agent solely for a natural person (or solely for natural persons) within the meaning of section 72(u)(1) of the federal Internal Revenue Code.
