*The Biennial S&P 500 Index® and Two-Year Point-to-Point S&P 500® Low Volatility Daily Risk Control 8% Index are multi-year crediting methods. Funds allocated to these methods are not eligible for reallocation until the end of the 2-year term.

**Subsequent premiums will be credited a fixed interest rate. We will declare the interest rate for each subsequent premium at the time that subsequent premium is received. The interest rate applicable to each subsequent premium is guaranteed until the end of the Contract Year. On each Contract Anniversary, Midland National® will allocate any premium received since the prior Contract Anniversary among the accounts, according to your most recent instructions.
