## ANNUITY DISCLOSURE STATEMENT

### Fixed Account

The portion allocated to this account will earn the current Fixed Account interest rate. This rate will be guaranteed for four years and the rate will renew annually thereafter. This rate will never fall below the minimum guaranteed interest rate of 1%. Ask your sales representative for the current interest rate.

### Index Account

The Index Account equals the portion of your premium, as determined by you, which will earn interest based on the following crediting methods:

- Annual Point-to-Point Crediting Method
- Monthly Point-to-Point Crediting Method
- Biennial Point-to-Point Crediting Method
- Inverse Performance Trigger

Please see the Endeavor 4 product brochure for specific details regarding these crediting methods.

### Index Cap Rate

Your annuity applies an Index Cap Rate, or upper limit, to calculate your Interest Credits each year applied to the Annual Point-to-Point and Monthly Point-to-Point index account options. It will always be declared on the contract anniversary and is guaranteed for that year. This cap may change annually. For the Biennial Point-to-Point index account option, the Index Cap Rate is applied every two years, declared on the contract anniversary every two years and guaranteed for the two-year term. However, at no time will this cap ever fall below the minimum guarantees which are: 2% for Annual Point-to-Point, 1% for Monthly Point-to-Point and 4% for Biennial Point-to-Point.

An Index Cap Rate does not apply to the Fixed Account or the Inverse Performance Trigger.

### Inverse Performance Trigger

The Inverse Performance Trigger uses the Annual Declared Rate Negative Performance Option which applies a declared performance rate to calculate Interest Credited each year when index performance stays the same or goes down. The declared performance rate may change annually. However, it will never fall below the minimum guaranteed rate of 1% for this crediting method.

### Accumulation Value

Your Accumulation Value is the Index Account value plus the Fixed Account value.

### Surrender Value

The Surrender Value is the amount that is available at the time of surrender. The Surrender Value is equal to the Accumulation Value, subject to the Interest Adjustment, less applicable surrender charges and state premium taxes. The Surrender Value will never be less than the minimum requirements set forth by state laws, at the time of issue, in the state where the Contract is delivered.

### Transfer Options

You may elect to transfer your values between the Fixed Account and Index Account options. You may also elect to transfer between crediting methods within the Index Account options on an annual basis for all Annual Crediting Method options or on a biannual basis for the Biennial Crediting Method. By current Company practice, you will have 30 days following each contract anniversary to reallocate. Transfers are not allowed until your first contract anniversary for money allocated to the annual options and until your second contract anniversary for money allocated to the biennial option. Based on current tax laws, these transfers between options will not be taxable or subject to surrender penalties. Please refer to your MNL Endeavor 4 annuity contract for minimum transfer amounts.

The MNL Endeavor<sup>SM</sup> 4 is a single premium deferred fixed annuity from Midland National Life Insurance Company that accumulates interest in the following ways: A) based on the change in the Index Account during each contract year, without the risk of losing premium due to market volatility, and/or B) a traditional Fixed Account.

### Death Benefit

Midland National will pay out the Accumulation Value as the Death Benefit to your beneficiary upon the death of the annuitant or an owner. Your beneficiary may choose to receive the payout in either a lump sum or a series of income payments. If joint annuitants are named, the Death Benefit will be paid on the death of the second annuitant. If joint owners are named, the Death Benefit will be paid on the death of the first owner.

### Liquidity Features

Certain withdrawals prior to age 59½ may be subject to a 10% IRS penalty.

### Penalty-Free Withdrawals

The Endeavor 4 allows you to take a penalty-free withdrawal (also known as a Penalty-Free Partial Surrender) equal to the interest earned during the previous contract year each contract year after the first contract year, without incurring any surrender charges or Interest Adjustment.

By current Company practice, multiple interest withdrawals are allowed each year until the full penalty-free amount is withdrawn. Please note: If 100% of your money is allocated to the index accounts during a contract year and no interest is credited in that year, no penalty-free amount will be available the following contract year.

### Annuity Payout Options

You may select an annuity payout option at any time. If selected during the surrender charge period, your payout will be based on the Surrender Value. Available payout options include Life Income, Life Income with Period Certain, Joint and Survivor Income and Income for a Specified Period or Amount.

By current Company practice, you may receive an income from the Accumulation Value after the first contract year (without surrender charge and Interest Adjustment) if you choose a Life Income option or if your annuity has been in force for at least five years and payments are received over, at least, a five-year period.

### Additional Benefit Rider

The following benefit rider covers the annuitant and will be automatically added to your annuity.

- Nursing Home Confinement Waiver - After the first contract anniversary, should the annuitant become confined to a qualified nursing home facility for at least 90 consecutive days, we will increase the penalty-free withdrawal amount by 10% of the Accumulation Value each year while the annuitant is confined. This rider is only available for issue ages 75 and younger and is automatically included with your annuity at no additional charge in states where available.

### Required Minimum Distributions

By current Company practice, Required Minimum Distributions that exceed the penalty-free amount may be withdrawn without a surrender charge or Interest Adjustment.

### Additional Information

The Endeavor 4 is not a registered security, does not directly participate in stock or equity investments and the Index does not include dividends. Past index performance is not intended to predict future performance. Under current law, annuities grow tax deferred. Annuities may be subject to taxation during the income or withdrawal phase. The tax deferred feature is not necessary for a tax qualified plan. For purchase as a qualified plan, you should obtain competent tax advice and consider whether other features, such as the Death Benefit, lifetime annuity payments and riders make the Contract appropriate and suitable for your needs. The use of living trusts with the sale of an annuity product can, in the appropriate circumstances, be a valuable planning device. Midland National strongly encourages you to consult your tax or legal advisor before establishing a living trust or purchasing any financial product in connection with utilizing a living trust. Neither Midland National, nor any agents acting on its behalf, should be viewed as providing legal, tax or investment advice.

Refer to contract for complete details. The MNL Endeavor<sup>SM</sup> 4 is issued by Midland National Life Insurance Company, West Des Moines, IA on form AC/AS132A (certificate/contract), AR158A, AR159A, AR194A, AR205A, AR220A, AR221A, AR221A-1, AR222A and AR224A (riders/endorsements) or appropriate state variation.

#### Interest Adjustment

The Endeavor 4 includes an Interest Adjustment, that is applied only during the surrender charge period to full surrenders and to any partial surrender in excess of the penalty-free amount. This adjustment may decrease or increase the Surrender Value depending on the change in interest rates during the period since you purchased your Endeavor 4 annuity. See the "Understanding the Interest Adjustment" brochure for more information. Note: Not applicable in all states.

#### Surrender Charges

By initialing below, I understand that the Endeavor 4 annuity is a **long-term contract with substantial penalties for early surrenders**. A surrender charge is assessed, as listed below, on any amount withdrawn, whether as a partial withdrawal or full surrender, that is in excess of the penalty-free amount applicable. Please keep in mind that a surrender during the surrender charge period may result in a loss of premium. However, surrender charges and Interest Adjustments on IRS-Required Minimum Distributions that exceed the penalty-free amount are waived by current Company practice. The surrender charges are for 4 years and decline as follows:

#### Payment of Commission

Midland National will pay a sales commission in connection with the sale of this product. It also may provide other incentives to agents who sell its products. This commission is one of many costs which Midland National considers and factors into the product's design and policy performance, including setting the guaranteed rates in the contract and the manner in which non-guaranteed benefits may be offered. One-hundred percent of your premium deposit will be credited to your account, and no deductions from your premium payment or from your account value will be made due to the payment of this sales commission.

REV 01-11

## **IMPORTANT NOTICE: REPLACEMENT OF LIFE INSURANCE OR ANNUITIES**

**This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.**

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases, this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new contract involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy or contract to pay all or part of any premium or payment due on the new contract. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract?  YES  NO
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new contract?  YES  NO

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

INSURER NAME	POLICY OR CONTRACT#	ANNUITANT OR INSURED	REPLACED (R) OR FINANCING (F)
1. XYZ Insurance Co	1234567	John Smith	R
2.			
3.			

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because looking for better rate potential.

I certify that the responses herein are, to the best of my knowledge, accurate:

#### 4. Assignment of ownership

I/We, the undersigned, hereby state that I/we am/are the owner of the life insurance, endowment, or annuity contract identified above. For the purpose of making an Internal Revenue Code Section 1035 Exchange of insurance or annuity contract, I/We hereby absolutely assign and transfer all rights, benefits, interests, and property I/we have in the above identified contract to the assignee identified above (hereafter "the Company").

This assignment and Section 1035 Exchange is conditioned upon the decision by the Company to issue, on the basis set forth in the application, an annuity contract or life insurance policy. After acceptance of the application by the Company, this assignment will become absolute and the Company will issue to me an annuity contract or life insurance policy in exchange for the partial or full and complete surrender of the above listed contract and that the cash surrender value will be applied as a premium on the contract issued to me by the Company. The cash value received from the surrender of the contract(s) identified above will be credited to the contract issued by the Company upon receipt from the other Company. The Company assumes no liability for any delay by the other Company in processing the assignment of ownership, the request for surrender, or the payment of the cash surrender value. I/We understand that the contract values and terms of the above-identified contract may differ substantially from those in the contract issued by the Company.

I/We understand that the Company will request the immediate surrender of the contract being assigned to them as part of the Section 1035 Exchange. If I/we elect to refuse the policy issued by the Company under the "free-look" provision, I/We recognize that the assigned contract may have already been surrendered for its cash surrender value. If I/we refuse the policy under the "free-look" provision, the Company has no liability beyond the return of the cash surrender value of the assigned contract. If no premium is paid with the application, coverage under the new policy issued by the Company becomes effective when coverage under the existing policy identified above ceases because the other insurer has processed the Company's request for surrender. I/We certify that no proceeding in bankruptcy or insolvency, voluntary or involuntary, is pending against me.

#### 5. Transaction authorization

I/We am/are aware of any surrender/withdrawal penalties, which may apply, and I/we authorize the transaction described above. This transfer request also authorizes Midland National to receive information on the status of this transfer or exchange.

The undersigned represents and agrees that the Company is participating in this transaction at the undersigned's specific request and as an accommodation to the undersigned. It is further agreed that neither the Company, nor the officer, employee, agent, or any person acting on behalf of the Company warrants or represents the income tax consequences of this transaction. I/We have been advised by the Company, and/or its officers, agents, employees, or persons acting on the Company's behalf, that I/we should consult my/our own tax advisor regarding the tax consequences of this transaction. I/We have not relied on the Company or any agent of the Company for tax advice.

I/We agree to release, indemnify, and hold harmless Midland National, its directors, officers, employees, agents, parents, subsidiaries, and affiliates, and their directors, officers, employees, and agents (Midland National), as transfer agent, from and against any and all claims, liabilities, damages, costs, charges and expenses, including reasonable attorney fees, sustained or incurred by reason of any claim, litigation, arbitration or other proceeding arising as a result of Midland National's transfer of the above-referenced funds at my/our request. Without limiting the foregoing, I/we specifically acknowledge and agree that Midland National shall not be responsible for any loss due to market fluctuations which I/we incur as a result of any delay in the transfer of such funds and acknowledge and agree that it is my/our responsibility to request the transferring company to transfer these funds to the fixed or general account of the annuity, mutual fund, or other investment product from which the exchange is being made pending the processing and completion of this request.
