### **5. BENEFICIARY CHANGE** (Please print)

If I complete this section, I hereby revoke all prior primary and contingent Beneficiary designations and any elections of Optional Methods of Settlement. The following designations of Beneficiaries are made, subject to the provisions of the contract, and subject to the rights of any assignee of record with the appropriate GAIG Company. With respect to any trust designated as Beneficiary, the appropriate GAIG Company shall neither be obligated to inquire into the terms of the trust, nor shall the appropriate GAIG Company be chargeable with knowledge of the terms of the trust, and the appropriate GAIG Company will be fully discharged from all liability after payment of the Death Benefit proceeds under the contract/certificate to the trustee. If the owner of the contract is a trust, we may reject the designation of any Beneficiary other than the trust itself.

The Death Benefit will be paid to the primary Beneficiaries or survivors of them in equal shares unless otherwise stated. The Death Benefit will be paid to contingent Beneficiaries or survivors of them in equal shares only if there are no surviving primary Beneficiaries. If the Beneficiary listed below is not designated as a primary or contingent Beneficiary, it will automatically default to a primary designation. If no primary Beneficiary is designated below, the contingent Beneficiary will be treated as the primary.

Please show full name, address, relationship to Owner(s)/Participant, date of birth, social security number, and phone number of all Beneficiaries. A failure to do so may result in the death benefit being escheated to the state. If the Beneficiary is a trust, please provide the trust's name, the trustee name(s), and the trust agreement date.

If additional space is needed, attach a separate sheet signed and dated by the owner(s)/participant.
